

Congratulations on your engagement! We are honored that you have chosen Salon Legato to be a part of your special day. We require a few things in order to confirm your appointment date and time.

Wedding Policy

We kindly request a 50% deposit when appointments are made. The final balance is due on the wedding day.

The bride assumes responsibility of payment to Salon Legato for all members of the bridal party included for services. Payment on the wedding day to be made by the bride for total services rendered after deposit.

Consultation appointments are essential for the bride. 90 minutes is scheduled for a complete walk through of the style. The trial for hair or makeup should be scheduled prior to your big day!

Cancellations

Please be advised that cancellations or modifications to the appointments must be made no later than 10 days before the scheduled appointment. Failure to cancel within the 10 day period will result in the forfeiture of the entire deposit, plus an additional 18% gratuity for all appointments scheduled.

Wedding Day

In order to ensure you receive the service you deserve, please arrive on time. Parking is available in nearby parking structures for the first 2 hours free, or limited on-street parking for 1 hour at a time metered. We schedule services immediately after yours, and may have to adjust your services if you arrive late to your appointment.

Please shampoo your hair the day before, and avoid heavy styling products. We do not recommend shampooing the day of. Each guest requesting an upstyle should arrive with completely dry hair. We do not allow time for this unless a blowout is requested in addition to the upstyle. If such a case arises, the stylist will charge extra to blow dry (if time permits). Please ask all members of your party to use only soft styling sprays in the morning, as hard sprays make hair hard to curl and style. Be sure to wear a shirt that is easily removed, preferably a button-down shirt.

Gratuity is not included in the cost of in-salon or on-site services. 15-20% is traditionally given for any service.
